

uTrack for First-Time Transfers

Summer/Fall 2015 FTTs

uTrack Basics

- Students admitted directly to major of choice and must meet term-specific milestones to remain in major
- Milestones established through regular curricular process in each college
- Students off track for two consecutive tracking semesters are prompted to change majors
- Reassessments at the start of each Fall and Spring to set On-Track status for qualifying students
- Change of major automatically sets uTrack status as “To Be Evaluated”
- Students can change their majors at any time

Transfer Students in uTrack 2015

Transfer student admitted for Summer/Fall 2015 or later

Transfer Credit Evaluated and Entered into Banner Academic History
