

MARCH 2024

THE TENNACADA TIMES

Newsletter of the UT Academic Advising Community

From the President

Advising Community,

It has been my pleasure to work with TennACADA over the past two years, and I can honestly say I am sad to see my time on the e-board come to a close. However, I leave optimistic about the future of TennACADA.

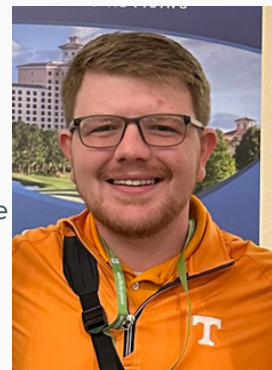

Since the late 2000s TennACADA has existed on our campus as a tool to grow and develop our advising community. With that in mind, please consider running for a position on the e-board or nominating a good colleague and voting during elections (information in this newsletter). I can speak from experience that it has been a great honor to be a part of this organization.

While my term officially ends at the awards ceremony on May 3rd, I will be turning things over to Heath Cox (our 24-25 president) a little earlier when I go on parental leave at the end of March. I do plan to be at the awards ceremony to celebrate you all, but in the meantime please contact Heath or any other 23-24 e-board member with any questions.

My highlight over the last few weeks has been looking at the nominations that were received for our annual TennACADA Awards. It really is the best feeling reading about the care our advisors provide the students, the mentorship our advisors provide to their colleagues, and our community's commitment to the advising profession as a leader in academic advising nationwide!

We are looking forward to celebrating the advising community and the advising award winners during **NACADA's Global Advising Week April 29th to May 3rd**. Our TennACADA Academic Advising Awards will take place on **May 3rd beginning at 8:15am** and lasting until 10am in the Student Union Ballroom. Please be on the lookout for a formal RSVP soon!

You all rock,
Christopher
TennACADA President 23-24
